PERMISSION SLIPS

A lot of dancers didn't make it to classes in Dec and didn't get permission slips. They are in this mailer and due asap. Your timeliness is crucial to running a great dance studio.

CLASS CHANGES

Have you decided on switching classes? Please write down your changes on your permission slip and get that paper to me asap. I cant accept changes as of Feb 6. It will be too late to order costumes and get them on time.

COSTUMES

Your dancer will be measured during class and your child's costume will be ordered the following week. Please make sure that you check the costume book periodically. it's a fun book and the dancers love showing you their picture. If you have questions about sizing please contact me with concerns. You will be responsible for any costume alterations. This is your costume to keep. But I ask that once they come in your child doesn't use it for play. It must be kept nice and neat.
